CS#1 – Banner 9 - Today and Beyond – Banner 9 is here and ready for you with an innovative and new interface, options to improve extensibility, and significantly improved access for all users. Join us to learn how Banner 9 will make it easier to get things done within your institution both for your staff, faculty and students. We will also go over where Banner is headed in the future. Presented by Kari Branjord, Ellucian. For both functional and technical users.

CS#2 – Ellucian Cloud Solutions – Cloud solutions are transforming and improving the way higher education institutions serve both internal and external constituents. Learn about Ellucian's portfolio of cloud solutions and how you can leverage the Ellucian Cloud for your applications. This session explains Ellucian's cloud strategy and our direction around a scalable, cost-effective, and secure environment for managing your enterprise systems. For those who are already cloud clients, we will discuss how and when to move to the next level. Presented by Matt Dobosh, Ellucian. Primarily for technical users.

CS#3 – Banner 9 Registration & Degree Works integration – We will review the Banner 9 registration module functionality by exploring the enhancements and limitations of this new system. Demonstrated during this session will be how a student can transition from an academic plan in Student Educational Planner through the Plan Ahead registration feature and ending by successfully registering for classes. Presented by St. John's University & The College of St. Benedict. For both functional and technical users.

CS#4 – Financial Aid Birds of Feather (BOF) – Facilitated discussion of current Financial Aid topics including the impact of the early FAFSA cut-off and impact of prior/prior year changes. Led by the University of St. Thomas. You may submit discussion topics at registration and/or bring those to this interactive discussion. Primarily for functional users.

CS#5 – Banner 9 Finance Birds of Feather (BOF) - Facilitated discussion of current Banner 9 Finance topics including the impact of the recent implementation of Banner 9 Finance. Led by the St. Catherine University. You may submit discussion topics at registration and/or bring those to this interactive discussion. Primarily for functional users.
